

Retina Specialists

Robert Torti, M.D.

4708 Alliance Blvd., Ste. 785 • Plano, TX 75093
(972) 599-9098

Name: _____

Date: _____

You have been sent by your doctor for a retinal evaluation. On this sheet is information you will need to know for your first visit.

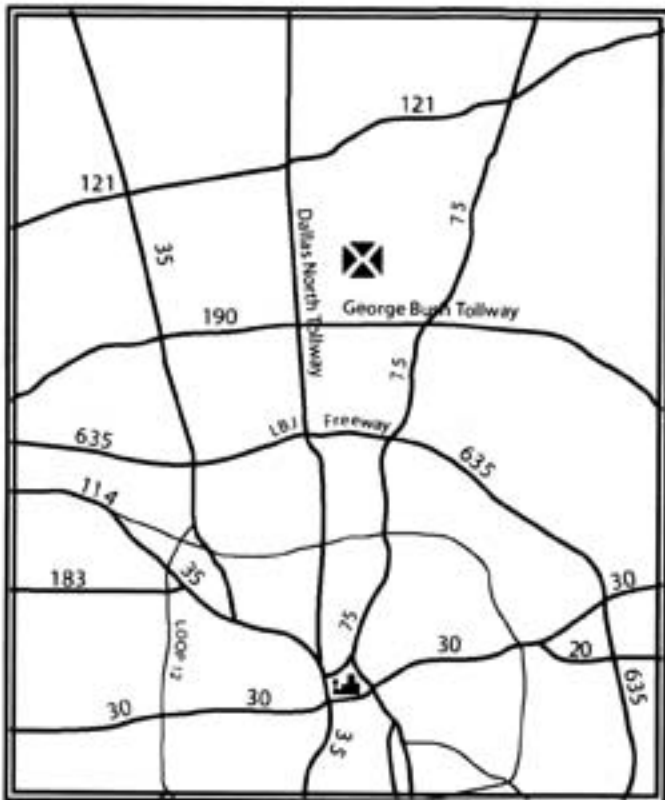

Your eyes will be dilated. We have sunglasses for your convenience, but some of our patients bring a friend along to drive them afterward.

Please bring any Medicare, Medicaid or insurance information. Usually identification cards are all that is necessary, but some coverage requires referrals and co-payments which the patient is responsible for bringing to the office. We file Medicare, Medicaid, and insurance as a courtesy, but the patient is responsible for any deductibles or co-payments at the time of the visit.

Also, please bring all of your medications with you.

If you have any questions, please call us at 972-599-9098. We will be happy to talk with you, and we look forward to meeting you.

A map to our office is printed on the back of this sheet.

**Baylor Regional Medical Center at Plano
Office Building I**

**4708 Alliance Blvd., Suite. 785
Plano, TX 75093**
